PREPARE YOUR RAMADHAN JOURNEY!

Kids, in this section we will learn how to do self-reflection (muhasabah) on the previous ramadhan. Rasulullah pbuh and the companions loved to do self contemplation. This practice will help us understand who we really are and to gain deeper insight into our heart and soul. We will be reminded of our goals as God's creation and integrate what truly matters to us. We will use Ramadhan to get closer to those goals!

Are you ready. Guys?

YeAh!

Here, you will reflect all the events, the people you met, the opportunities you got, the harm you dodged that have happened since last year.

Reflection

What do you remember about last ramadhan?

I remember that last ramadhan

.....

Write down your what you are grateful for since last ramadhan.

I'm grateful for

.....

What were your struggles and how did you face it? What are you still struggling with?

I've overcome and still dealing
with
.....

Reflection

From all those things happened in your life, what hikmah/wisdom has Allah blessed you with?

Reflection

In this Ramadhan, polish your heart, remember your dream and true goals as
Gods servants.

My dream is.....

RAMADHAN GOALS AND DUA

After self-reflection, now you have inspirations on what your goals, dua, good deeds you want to perform, and bad deeds you want to avoid.

GOOD DEEDS TREE

Jot down good deeds you want to do this ramadhan

BAD DEEDS

Bad deeds will ruin your relationship with Allah. They make black dots on your shining heart. If you don't polish it, those dots will cover your heart until no more God's light can reach it. Identify bad deeds that you are most likely to have and try to avoid it.
